## **Covid-Friendly Summer 2021 Fundraising initiative, CHCT Fundraising is easiest if it is fun!**

Rather than hold a summer party to raise sorely needed funds this year, the CHCT has come up with an idea to raise some cash, to spread the word about our work, and to recruit new members.

The idea is for someone to host a lunch/supper party for, say, 6 friends, and to charge them £ (hosts discretion) each in aid of the CHCT. There is no maximum to the number you invite, it just depends on Government decree. It's vital all attendees' names are collected, so they can be entered in the Nare prize draw. Then we hope the hosts will suggest that their guests also hold a party in aid of the CHCT, and so on... The way this works best is to network down as you will see from the diagram – on the basis of just achieving two levels at £10 per head £120 could be raised by each person and perhaps more if additional donations are forthcoming.

Donations raised to be paid by BACS to CHCT

Account number: 30287113

Sort Code: 20-87-94

Account Name: CHCT

Reference: SUMMER 21 + Hosts name

Then email the names and contact details of all attendees to [carolinetetley@chct.info](mailto:carolinetetley@chct.info). Please ensure all events are concluded by September 22nd so that all the names are entered into the draw for the winner to be announced at our AM on September 23rd.

The draw prize is for a lunch for two at the Quarter Deck, The Nare Hotel generously given by Mr and Mrs Toby Ashworth
