Instead of a large summer fundraising party this year, the CHCT has come up with a Covid friendly idea to raise some badly needed funds to support their work protecting the fabric of Cornwall's churches.

We hope that each guest attending will give £10 to CHCT,
which will enter their name into a prize draw
for lunch for two at the Quarterdeck, The Nare Hotel.
In addition, we hope that in turn, the attendees will host a similar event
with proceeds to be sent to CHCT.
